

K-12 AND HIGHER EDUCATION STATEWIDE SUMMIT

REGISTER NOW!

[Register now](#) for NC Ready for Success's inaugural Statewide K-12 and Postsecondary Education Summit. Themed, "*Connecting K-12 and Higher Education in North Carolina for Student Success*," this Summit will be a historic opportunity for faculty from across all sectors of education to convene around an agenda that promotes a more cohesive approach to educational success in North Carolina.

Working with all of our Foundational Partners, the NC Community College System, the University of North Carolina, the NC Department of Public Instruction, and the NC Independent and Private Colleges and Universities, the summit will provide participants with information related to current alignment efforts to bring all of NC's educational sectors together for more student success.

In addition to updates on the new Comprehensive Articulation Agreement, changes to developmental and competency based education, participants will have the opportunity to network and learn from colleagues in other sectors about best practices and implications for the adoption of North Carolina's new Career and College Readiness standards. National and state speakers have been invited and break-out sessions are being planned for an interactive and highly productive set of conversations and networking.

Early Registration \$35.00 before March 15th.
